

**10-5-2: CONDOMINIUM PLATS:**

- A. Issuance Of Building Permit: Building permits for condominium units can be issued following approval of the final plat by the commission and the BCC as provided by this chapter. The building permit will be issued based upon a certified architectural plan of the building elevation and floor plans as approved by the building official.
- B. Filing: All condominium plats shall be filed in the office of the county recorder following completion of construction and before acceptance of improvements. (Ord. 323, 3-9-1998)
